

BUDAPEST ROUND 2023

International School of Budapest | March 28-29, 2023

EVERY YEAR THE WORLD SCHOLAR'S CUP BRINGS together over 50,000 students and 50,000 alpacas in 70 countries. Now, we hope to welcome a new generation of scholars from Hungary.

Your first step: lead teams from your school to the regional round in Budapest. Together you'll write creative essays, debate quirky topics, answer impossible questions, and make friends who understand you.

Join us for the alpacas.

Join us to learn new things.

Join us to perform in the untalent show.

Join us to qualify for the Global Rounds in 2023 and to reach the grand finale at Yale University.

But, mainly, join us because we only pretend to be a competition: we're really a community in which we can be awkward together in 50,000 ways.

Of course, there are medals and trophies too. They aren't as important as the alpacas, but they will make your parents happy.
