The school gives a 3% discount for those paying the tuition contribution in 1 instalment, in case payment is received no later than 1 August, 2018, versus paying in 2 instalments. The 1 instalment column above already displays the 3% discount. The surcharge of 3% of the Tuition contribution fee is made for payment in 10 instalments (also displayed above).

Registration fee: When enrolments are done, a registration fee must be paid, which is a one-time fee and it will not be refunded, even in case the student's legal relationship is not realised.

Seat reservation fee: The seat reservation fee ensures the student has a place in the school in the next academic year. The seat reservation fee is included as part of the tuition contribution fee.

The tuition contribution fee structure includes:

- Hungarian language textbooks, usage of foreign language textbooks (these must be returned at the end of the academic year)
- School supplies (stationery, exercise books, folders, drawing accessories, etc.)
- Fees for 3-4 annual field trips related to the curriculum lasting for maximum 1 day
- Costs of the electronic entrance card for the two parents valid for entering the Csilleberc Leisure Center
