ISB gives a 3% discount for those paying the tuition contribution in one instalment, in case payment is received no later than 1 August, 2019, versus paying in 2 instalments. The 1 instalment column above already displays the 3% discount.

Registration fee: When enrolments are done, a registration fee must be paid, which is a one-time fee and it will not be refunded, even in case the pupil's legal relationship is not realised.

Seat reservation fee: The seat reservation fee ensures the pupil has a place in the Reception Class in the next academic year. The seat reservation fee is included as part of the tuition contribution fee.
