

ERASMUS+ PROGRAMME

Welcome to Andalusia!

Erasmus+ — Not Just for Students!

A Teacher's Story

Where did I go and why?

1

Málaga

Erasmus+ Training
AI Tools in Education

2

Granada

Job shadowing
in a private school

3

Sevilla & Caminito del Rey

Cultural trip
& breathtaking hike

4

Ronda, Setenil & Córdoba

Historical towns
& scenic landscapes

Benefits

Why take part in an Erasmus+ programme?

Different
school
environment

Discovering
a different
culture

Professional
development

Meeting other
educators

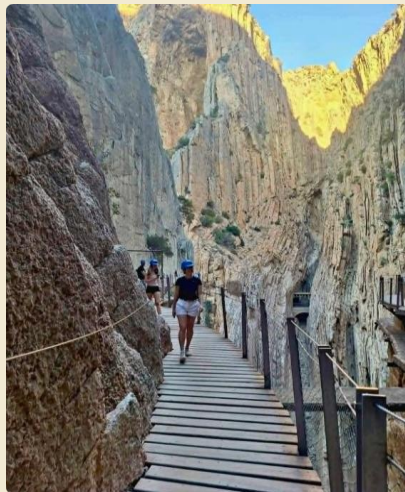

Inspiration

Open-minded
approach

A region like no other

- ◆ Unique blend of Islamic, Jewish and Christian heritage
- ◆ Snow-capped mountains AND sunny beaches — at the same time
- ◆ Europe's only desert (Tabernas)
- ◆ Olive groves as far as the eye can see

The things that amazed me

Morning coffee at a nearby café, before work

Exotic plants, beautiful parks

Light meals

Clean railway stations

Helpful people

Beautiful streets and buildings

Places you can't miss in Andalusia

Mezquita

Córdoba

A mosque-cathedral — 800 years of history in one building

Alhambra

Granada

The most spectacular Moorish palace in the world

Cathedral

Sevilla

The world's largest Gothic cathedral

Nature in Spring

Ronda

Dramatic gorge, ancient bridge & wildflower meadows

Something I discovered on my trips

Did you know that the word "carat" — used for gold and diamonds — comes from the **carob** seed?

People used these tiny seeds to weigh precious stones because every single seed weighs almost exactly the same!
